

NIMET

NICHRIST INSTITUTE

With Determination Comes Success

NIMET

Course: Civil Engineering (National N-Diploma)
: NQF6 (360 minimum credits) SAQA ID: 90674

Duration: 1 Year Theoretical Training (120 credits)
: 2 Years (24 months) Practical Experience (240 credits)
: Offered on full time and part time

This course will develop you to be proficient and understand all its functions on how to use it in the Industry in different Business world applications. You will be able to design (buildings, roads, and structures), manage projects and work effectively in engineering field. The qualification will enable you to advance your studies any were in the world.

Admission Requirement:

Matric/Grade 12 certificate or N3 Engineering certificate

Course Content: 1 Year Theoretical Training

1st Trimester – N4 (NQF5) 40 Credits SAQA ID: 66881
Mathematics / Supervisory Management
Building Administration
Building & Structure Surveying
Building & Civil Construction
2nd Trimester- N5 (NQF5) 40 Credits SAQA ID: 66960
Mathematics / Supervisory Management
Building Administration
Building & Structure Surveying
Building & Civil Construction
3rd Trimester – N6 (NQF5) 40 Credits SAQA ID: 67005
Mathematics / Supervisory Management
Building Administration
Building & Structure Surveying
Building & Civil Construction

Careers path

Civil Engineering	Architectural Engineering
Structural Engineering	Building Engineering
Business Management	Project Management

- On successful completion of minimum 3 years as per programme, the student will receive **N-Diploma of 360 minimum credits which is NQF6 as per SAQA ID 90674**. Certificate from the Department of Higher Education. This certificate relates to the National Certificate.
- Registration fee is **R300** and Course fees: **R1800** per Subject. These study fees **do not** include the cost for study material.
- **We assist with placement for practical experience (experiential learning)**
